RLE PROGRESS REPORT No. 124

January 1982

Submitted by: J. Allen
P.A. Wolff
This report, No. 124 in a series of Progress Reports issued by the Research Laboratory of Electronics, contains the customary annual statement of research objectives and summary of research for each group. The report covers the period January 1, 1981-December 31, 1981, and the source of support is indicated for each project. On the masthead of each section are listed the academic and research staff and the graduate students who participated in the work of the group during the year. The listing of personnel in the back of the book includes only members of the laboratory during 1981.
