18.440 Probability and Random Variables
Spring 2009

18.440 problem set 10

Older problem sets, for which solutions have already been distributed, will be accepted for 75 percent off up through 1 PM on May 13, but after that no problem sets including PS10 will be accepted for credit.

1. Ross, Chap. 9, "Theoretical Exercise" 2, but for $s = 4, 8, 16$.

2. Ross, Chap. 10, Problem 3 or 10.3.

3. Ross, Chap. 10, Problem 4 or 10.4.

4. Ross, Chap. 10, Problem 7 or 10.7.

5. Ross, Chap. 10, Problem 11 or 10.11.
