After this article was published, the author informed us that the Funding note and the Acknowledgements were missing. They should read as follows:

Funding

This work was partially funded by the Machine Learning Applications (MLA) Initiative of CSAIL Alliances managed by the Computer Science and Artificial Intelligence Lab of MIT. This initiative board at the time of funding consisted of British Telecom, CISCO, Ernst and Young, SAP, and Arrow Technologies.

Acknowledgements

The authors are grateful to individuals from over a dozen organizations for their suggestions. In particular, the authors thank Mudit Bajaj, Sebastian Gould, Divyesh Jagetia from Arrow Electronics, Andrew Langworthy, Detlef Nauck, and Steve Whittaker from British Telecommunications, Ali Payani and Ramana Kompella from Cisco, Pamina Laessing, Mario Schlener, Vishal Gossain, and Yara Elias from Ernst and Young, Felix Sasaki from SAP, and Gabriel Bustamante from Itaú-Unibanco for reviewing the manuscript and providing their suggestions.

The Original Article has been corrected.
