

## 第十课 出国前的准备

(P = parents C = child)

P: Calls child, tells him/her they support his/her plan to take advantage of the summer vacation to attend a short lg training program.

C: Great. Was a bit worried.

P: Why?

C: Spend so much money in learning Chinese? Why not an internship – learn how to deal with others, earn money...

P: Wrong. Kid- force – unwilling ; now – interested – want to learn – We're so happy! See the place where we were born and grew up – meaningful! our wish for many years.

C: I think so too. Kid – you made me hate you!

P: tense relationship – regret

C: now I know why you did that. Now what about tuition?

P: Dad's trade company – business not good  
money crisis (tense) – apply for financial aid? airfare on us.

C: why didn't you tell me about dad's company? I'm your child, and I'm no longer a kid now. Of course, I'll apply for FA.

P: a lot of preparation. Apply for passport, visa, get immunization shots --

C: I'll handle it myself. Don't worry. My birth certificate – send it to me?

P: sure. (project due, hang up)
