

21F.107/21F.157 (both sections)

Fall 2002

Final Project

Making use of the vocabulary and patterns that you have encountered over the course of the term, write an essay of about 800 characters that deals with your family background, clashes with parents, living in two cultures etc. (Decide on your own title)

Write a character version (either typed, or by hand on squared paper, every other line) **and** a *pinyin* version (typed **and** with tone-marks).

Due last day of classes, ie Dec. 11, 2002.

Assistance on word-choice and structure is available at office hours or by appointment.
