Discussion 14: Concluding Thoughts and Dilemmas

Dodson:

- How does one give women a voice?

Krik:

- How does theory fit the goal?
- Can you argue about domination of nature like domination of women?
- Can we structurally say what women's relationship is to society?
- Is woman's nurturing role nature or socialization?

Op-ed:

Discussion of and comments on the Op-ed pieces contained the following components based on page 153 of *Undoing the Silence* by Louise Dunlap.

- What words or phrases jump out at you?
- What message did you hear?
- Can you tell us a story of your reaction (use "I" language as in "I felt happy when you said...")?
- What metaphor can you give to the writing?
